MMS fee change...

pic31622.gif (862
B)

In regards to imposing proposed fees on permits, if approved - can you provide us with your propose billing procedure - ie - when a permit is submitted, will the MMS accept a credit card number to handle the permit fee ??

(See attached file: fedreg 03152005 MMS fee changes.pdf) Files contain Federal Register copy and company logo

Please advise.

Thanks

Ron Castenell
